Experience

Latest I worked as a cashier at an organic supermarket and have several experiences working for catering services at exhibitions (Motek, Nufam etc.) and other events. I am a Bachelor student (earth science) at the Karlsruher Institute of Technology. Currently I am working as a student assistant at the Institute for Hydrogeology at the Karlsruher Institute for Technology. Furthermore I worked as a student assistant for several Ph.D students at the University of Koblenz-Landau. I have experience in environmental analysis and field work experiments.
