Experience

I'm in the 6th semester of my International Business Studies and worked for several hostess agencies in the last 4 Years.

I worked at fairs like LogiMat, Agritechnika, Medica, SPS Drives, Cebit, Caravan Salon, Motorshow, DKM, Area30, GamesCom, WAT Essen, Nano Conference and several other small events.

Due to my studies I had the opportunity to spend 8 Month in England working as an Intern in the Qualitymanagement department and 1 Year in Turkey for studying at an english-speaking University.

Therefore I would say that my english is on a good and fluent level.
