Experience

I have various work experience in different areas of retail (specialized childrens supply/toy trade, Organic shops/bakeries - also included promotion work for them, confectionary); worked as a barista/waitress in a little café, which I also represented at a streetfood festival; had an office job (mostly work in English); worked at a congress as an international participant coordinator; as a promoter at the trade fair "Engagement Global", and as visitor support for an art exhibition in cologne. During my time at InStaff, I've been working as a promoter for nebenan.de in several different cities. I also catered at a lunch event in the Korean embassy in Bonn. I am looking forward to be working with you.
