### Experience

Professionalism - Reliability - Friendliness

My name is Noemi Tasca, I am 27 years old and would love to support you in your daily business!

I am currently in the final stages of my Master's degree in Chemistry at RWTH Aachen University and speak fluent German, English, French, Luxembourgish and Italian.

In recent years, I have already supported numerous international companies at various trade fairs (including Glasstec, K-Messe, Medica, Boot, Euroshop, IDS, Fibo, EMO, Anuga and Expopharm). My tasks ranged from promotion (explaining products, filling in leads, distributing flyers and approaching potential new customers) to service work.

... more working experience can be seen online
