Experience

I worked for different promotion and catering jobs as well as hostess jobs at different fairs. I like talking to people and I'm an open minded person, with a positive attitude who likes helping people. I also worked for different catering services / waitress jobs at Parties and events. In the year 2018 I lived for 5 months in Mexico for a semester abroad. My Spanish skills are way better since then and I got to know a new culture. In 2019 I lived for 6 months in Australia and did my internship there in a travel agency.
