Experience

Hi,

I am a student (computer science). I am extremely good at communicating with people and am physically strong. I have over a year of event service experience. I have extensive experience in sales, advertising etc. , In addition, I am broadly able to learn the necessary things for my job because I am a very trainable person. I enjoy working with new people and can quickly adapt to new situations. I've been to many trade fairs and events and that's why I like working there. I'm interested in fitness, technology. I look forward to constant new experiences. I also have a driver's license and my probationary period is over.

My Skills Zusammengefasst :

- Erfahrung als ULTRASCHALL-MODEL
