Experience

At the Moment, I am studying English and History for becoming a teacher at a Highschool at Friedrich-Alexander-Universität Erlangen- Nürnberg, already in the 6th Semester. Thanks to studying English, I do not have any troubles in communicating with foreign people. Therefore, I worked as a waitress several times, so I do know what is important for working in this field. Moreover, I am helping pupils who have trouble with learning English. My competence in working with other people is incomparable.
