Experience

I worked as a waitress several years in a restaurant called "Laternechen" which is located in my hometown Kaiserslautern. I grew up there with a lot of american friends, whose parents worked at the military airbase in Ramstein or Vogelweh. During my apprenticeship as a Hotelmanagement Assistant I worked about one year at a winery. I completed my apprenticeship successfully and gained more experience in several internships at well known Hotel companies such as Intercontinental Hotel in Abu Dhabi. My first position after my apprenticeship was as a Housekeeping Supervisor at Marriott Hotel in Heidelberg. After that I worked as a Housekeeping Manager in a family Hotel in Ludwigshafen.
