### Experience

Since the beginning of my studies, I have also worked as a waitress (e.g. in a pizzeria), as a fair hostess (e.g. drinktec 2017) and as a promoter. First I completed my bachelor's degree in business administration and currently I am studying business education in my last master's semester. On top of that I completed my semester abroad in Belgium. Furthermore, I already have experience in the event sector through several internships at Deutsche Börse AG, Siemens and Q\_PERIOR, among others.
