Experience

Since september 2016 I am studying Textile and Clothing Management at the HS-Niederrhein (in English). Before that I worked as an apprentice at Escada SE and managed to terminate as a certified taylor. After graduating from high school I was luckily able to spent one year in Australia with the working holiday visa. Being there I worked in a resort and a construction side for a few months. I gained additional experience working with customers while working in a kiosk (Schlosscafe im Palmenhaus) for about 8 months. My last job before my studies was at Superdry Munich for about 6 months as a sales assistant. Since I started to study I did a promotion job at the Tour de France (quick step floors/Lidl) and helped with some inventory checks (Zara,Mango).
