Experience

As a student I already worked at several events as a waitress. Since the beginning of my bachelor studies I did many Instaff-jobs as a promoter, waitress or hostess. Currently I'm doing my master studies and still enjoy doing different Instaff-jobs every now and then, besides my job as a working student. Due to several stays abroad (3 month High school in Canada / 6 month au pair in Australia / 3 month in Los Angeles) my english-skills are very good.
