Experience

During my studies I worked several times as a waitress. Amongst other things I worked not only as waitress but also as bartender in some clubs, a small French bistro and 2012, 2013 at a mulled wine market stall in Bremen, Germany. I therefore know how to draw beer and have a basic knowledge about wine and about the basic service rules. Within my time in Vienna, Austria, I worked for two well-known caterings there. One was called feinkoch and they did high-class catering in locations such as the Hofburg. The other one was called Gaumenfreundinnen and they did bio-caterings within Vienna and around. I learned how to prepare and serve food and how to carry it. As I study social science I am always well informed about society and can express myself in decent manners. By studying abroad in Budapest, doing an internship in Mexico and attending several language courses in the US
