Experience

During my traineeship as a hotel specialist in the Hilton Munich Park, which took 2,5 years I earned a lot of experience in hospitality.

I worked in the restaurant, banqueting department and at the front desk.

Other departments, which I got to know during the trainee ship are the housekeeping, room service, business service center and the conference and events department.

Furthermore I already worked as a hostess i.e. during the f.r.e.e. In Munich, DIVA in Dachau or for a medical congress in Quedlinburg.
