Experience

I am a motivated Master student in Scientific Computing, currently taking a gap year in Frankfurt. Fluent in Vietnamese, English, and German, I hold a Bachelor degree in Business Mathematics. I have extensive experience in event organization, management, and sponsorship, as well as 1.5 years as a Working Student in Data Analytics at Allianz Trade in the Risk Underwriting Department and 6 months as a Research Assistant at the University of Hamburg. Additionally, I have worked part-time as a cashier in both a supermarket and a bakery.
