Clothing size: S

### Experience

Currently in my 6th year of studying English and German in a course of studies on teaching at University of Cologne - I had the pleasure to work for several clients at "Gamescom" in Cologne every year since 2012 which has sparked my passion for working for Trade fairs ever since. I have already worked at over 40 shows and I am very enthusiastic about my work. I work very well in teams and prioritize being friendly at all times
