Experience

I have worked for several bars, restaurants, event locations (such as weddings), swimming pools and others as a barkeeper, kitchen help or as a waitress for years, but also as a call center agent (inbound & outbound) or as a helper at stocktakings. -> I do have a lot of customer experience and can easily handle even angry people because of my positive way of dealing with people. I'm aiming for happy customers. I only apply to jobs that fit into my schedule - there will be no unreliability from my side.
