**Clothing measurements** Height: 164 m  
Clothing size: M

### Experience

I worked as a waitress at several private events, such as fundraisers, school events and birthday parties, where I served different dishes and poured beverages. In addition I worked as a waitress at Pizza Hut. Since the beginning of my studies I started working as a tutor for several different subjects for younger students so that I have a lot of practice in talking to and working with different types of people.
