### Experience

I recently graduated successfully in the subject of Business Psychology and e-business (Bachelor of Science), currently working as HR/Recruiting manager. I've got nearly 10 years of experience in various fields of the common hospitality (restaurants, bar, cafés, eventcatering).

Mostly I operated in the classic service area, but I've also got experience as bartender and barista, as well as kitchenhand (usual kitchen tasks and prepping meals).

In event catering I have dealt with set menus as well as buffets so far, including a regular drink/wine service at the table.
