Experience

I already worked as a Hostess a few times ago e.g. in the Olympiastadion as a seating lady or for the inlet, or at an event where I looked after kids. Furthermore I worked as a sales woman at Swarovski and Dunkin' Donuts. This is where I got a lot of experiences with customers. I am not afraid to talk to strangers or customers and also not afraid to help them. I don't have any problems talking in english, due to my job at Swarovski or other ones I gained a lot of experience in talking English especially to customers.
