### Experience

Hello,

my name is Vanessa Schlenz and I'm studying Economics at the TU-Berlin. I've been working in gastronomy for 2 years like restaurants, bars or on conventions. Furthermore I've already gained some experience through promotion-jobs and customer support/ hostess jobs.

In Summer 2016 ich got the opportunity to design skateboard-decks for a german skateboard-brand because besides of work and university I do a lot of art work. Furthermore I've already got some experience in modeling by having some photoshootings in the past.

I'm looking forward to working for your company!
