### Experience

Authentic, openminded and warm. As soon as I focus on a project, I am entirely dedicated. I work independently as well as in teams, I like to learn and am known to always give my best. English is not a problem, as I have lived and studied abroad for 4 years. I loved my service job, especially the busy shifts. Why Instaff? I live to be in contact with clients and I need to finance my trip to South Africa. In short - I am highly motivated. // Service experience: 4 month at Subway // B.Sc. Psychology, Netherlands, cum laude; Au Pair work in New York for 1 year (organisation and care of two girls) // Currently: Intern in a rehabilitation clinic
