Experience

I already worked as a VIP hostess for soccer games and was able to get experienced with service and customer service. Furthermore I worked in the field of catering and cloak room service, which proofs my ability to work in a team and to show stress resistance. For a special job I was able to establish acting skills and leave a positive impression with my spontaneity and flexibility. Because of several stays abroad I am fluent in English (C1/C2; TOEFL test score: 110). At the moment I'm in my masters program of psychology in Düsseldorf.
