### Experience

As the daughter of a host, I practically grew up with serving customers. I've helped in my family's Restaurant, especially by serving at caterings and parties. Afterwards I worked as a barkeeper at festivals and village fairs for almost 2 years. It's been 2 years now that I am working via Instaff and I've had a lot of different jobs since. Whether Promotion for Disney, distributing flyers for a cool new start-up or working as a fair hostess on certain fairs, I was able to make a lot of great new experiences.
