Experience

In September 2020 I finished my bachelors degree in the field of Business Administration and am planning to start my master at the end of their year. I have already had experiences in Fotoshootings (amongst others for the audi tradition calendar) and some Movieprojects. Furthermore I have experience in Catering at events or weddings and I have also done some hostess work at events for example at football games and exhibitions and doing the seating, etc. also have experience in promotion jobs such as food tasting at a supermarket.
