### Experience

I am a cheerful, polite and open-minded person and like to get in touch with people. That's why I really like to work in the catering industry, as a promoter and hostess on different events. I already have experiences as a waitress in high class restaurants but also in more relaxed cafes. I have been active at many different fairs as a waitress and hostess. I also worked as a Promoter in the pedestrian zone but also at different events and fairs. At the moment I am studying medical management in Gießen.
