### Experience

I worked in different salesshops for about three years. In these years I learned much how to help customers when they need help, how to present items to sell and how to handle cash register. I know three different types of register programmes, so I am educated in that area. I also worked on many fairs. I know how to use my experience as a saleswoman on fairs and they help me to deal with customers. I worked as a normal hostess, in catering services and as a receptionist. I also worked as a translator. Fairs: e.g. Caravan, GLOW, TIRE, road construction, Classico Techno, Intermot
